Summary

Systems engineer and IT practice founder. Built governed workplace integrations and repeatable production infrastructure, with hands-on ownership of escalations and recovery.

Skills

- Recovery verification, monitoring
- Google Workspace, Slack, Atlassian
- OAuth, OIDC
- Docker, PostgreSQL

Professional Experience

Founder / Product Engineer / Systems Lead

Technomancy IT LLC

Present

- Built access-controlled integrations spanning Google Workspace, Slack and Atlassian for client and internal workflows, plus authenticated integrations with AI tools.
- Implemented OAuth/OIDC, workload identities and tenant-aware access controls in client products.

Senior Systems Engineer / Datacenter Architect

Front Range Internet Inc.

2015 - 2020

- Codified infrastructure with Terraform and built tooling for NOC and DevOps teams.
- Owned infrastructure escalations, verified recovery and turned audit evidence into operating procedures.

Systems / Software Engineer

Office Evolution

2014 - 2015

- Built shared systems across locations that connected CRM, employee onboarding, provisioning and service operations.

Network & Systems Engineer

PlumChoice / Everon

2012 - 2014

- Operated and troubleshot networks and endpoints for managed-service clients. Built diagnostics for recurring issues and handled on-call escalations.

Infrastructure and Systems Focal

IBM

2010 - 2012

- Coordinated shared enterprise infrastructure changes and incidents. Built an internal backup tool to reduce licensing costs and automated audit workflows.

Selected Projects

Operations tooling with a recovery path

Technomancy IT · own practice

- Built a Git-tagged container delivery workflow with SQL migrations, container and HTTP health checks, and retained images for rollback.

Reliable employee access at Excell

Excell Services LLC · Technomancy IT client

- Replaced legacy servers and employee workstations and implemented Windows Server, Active Directory and VPN connectivity for corporate and satellite-office users.

Education

Front Range Community College

Computer Science coursework

2011 - 2013
